

LE VALLON

Libre comme un oiseau dans l'air pur et le ciel bleu

DES OISEAUX

Welcome in Le Vallon des Oiseaux, a hidden paradise in Provence. Enjoy naturism in peace and freedom at our beautiful campsite.

Hospitality

Le Vallon is a French-Dutch camp site where hospitality is central. The atmosphere is informal and personal. At Le Vallon you can relax and be yourself. We do everything to make sure you have a wonderful holiday.

300 days of sunshine

Le Vallon is situated at 350 metres altitude, in the middle of nature, at the base of a medieval village. The lovely southern French climate ensures long sunny days and nice cool nights.

Natural luxury

Be surprised by the spacious pitches with natural luxury. Le Vallon is car-free with pitches in the sun, in the pine forest, against the mountain or in the valley.

Swimming pool with panoramic view

Relax in the beautiful, large swimming pool with views of the valley and on the mountains. Every day there is fresh bread and vegetables from our own vegetable garden. Have a drink at the bar, eat on the terrace under the grapevines.

Cycling, walking, running

Le Vallon is a campsite for people who enjoy peace, space and exercise. The camp site is situated along a national cycle route, an ideal base for discovering Haute-Provence. Almost every day there is a pleasant Provençal market in the area. We regularly organise hiking trips.
